Plant the right tree in the right place

Plant taller trees away from overhead utility lines

Richland Electric Cooperative has been awarded the designation as a Tree Line USA Utility for the ninth consecutive year. The award is another example of how Richland Electric Cooperative follows the seventh cooperative principle, Concern for Community. The award from the National Arbor Day Foundation recognizes utilities that meet three requirements:

- A program of quality tree care
- Annual worker training in quality tree care practices
- A tree planting and public education program.
